

Product name:

1	Product name	Metal Sheet Panel
2	Short brief	Introducing our latest product, a robust Panel with a 1mm thick metal sheet designed for medium to large-scale hazards. Featuring a sturdy 30x30 mm frame with an added central square pipe for enhanced structural strength, this panel is ideal for applications where visibility blockage and protection against hazards are crucial. Available in a wide range of widths from 200mm to 2000mm and height variants from 1500mm to 2500mm, this panel is finished with a corrosion-resistant powder coating for extended durability.

4	Overview	<p>In response to the demands of dynamic industrial environments, our Panel with a 1mm thick metal sheet emerges as a versatile safeguarding solution. The rectangular frame, measuring 30x30 mm and supported by an additional central square pipe, commitment to structural integrity. This panel is designed for medium to large-scale hazards, offering a resilient defense against forces and bending scenarios. The width size, ranging from 200mm to 2000mm for diverse requirements, while height variants ranging from 1500mm to 2500mm ensure a customize fit for specific applications.</p> <p>A demonstration to its adaptability, this panel finds its application in warehouses, where the need to block stock visibility aligns seamlessly with its protective capabilities. Simultaneously, in industrial settings engaged in welding activities, it serves as an effective barrier against splashes, maintaining the integrity of stockrooms. The finishing touch of powder coating ensures prolonged corrosion resistance, augmenting the product's lifecycle and solidifying its role as a reliable defense mechanism. In essence, our Panel with a 1mm thick metal sheet redefines safety with a blend of versatility, strength, and durability.</p>

<p>5</p>	<p>Features</p>	<ul style="list-style-type: none"> • Sturdy Frame of 20 x20 • No Visibility • Post of 60 x40 • For Medium to Large scale hazards • Structural Reinforcement • 100% Stronger • Corrosion resistant • 100% Tested • Powder coated • Galvanized • Good colour stability
<p>6</p>	<p>Application</p>	<ul style="list-style-type: none"> • Warehouse • Stockroom • Workshops • Distribution centers • Welding area • Chemical storage area • Machine Guarding • Industry • Hospitals Operation rooms • Industrial Area • Sport
<p>7</p>	<p>Installation</p>	<p>At HITECH Racks and Partitions, your satisfaction and the safety of your assets remain our foremost priorities. Partner with us to experience not only the superior craftsmanship of our panels and posts but also the professional touch of our installation services. Our installation services encompass the seamless integration of panels and posts, ensuring the structural integrity and effectiveness of your warehouse and machine guarding system. Whether you're embarking on a large-scale project or a smaller-scale initiative, our team is dedicated to ensuring that your installation is executed efficiently and securely.</p>
